I feel like they have a negative perception of the neighborhood and expect certain activities to occur and therefore tolerate them when they do. That is ridiculous. 24	St. James/Nassau Park; First Step Home (total number of buildings owned in one small area)	Feb 6, 2013 7:34 PM
25	We are rooting for the neighborhood and want to see the business district revitalized! We need to get innovative on way to attract businesses here. There are so many residents in the area that go elsewhere to spend their money, mainly due to fear of becoming a victim. Farmers markets are an outstanding way to create a welcoming and exciting thing to the neighborhood.	Feb 6, 2013 4:45 PM

33	Gentrification and a lack of attention to the needs of lower income residents.	Feb 5, 2013 3:00 PM
34	Not a concern but a challenge that occurs in any community, that being complacency. More involvement with improvements of our communities particularly our inter city communities. Not to be decieved with rural areas that may primarily maintain their own properties and municipalities maintain every thing else but in urban areas it appears to be more microscopic, thus requiring more participation to "blight" out the many challenges be it poverty, crime, homelessness, etc. We'll get there, block by block. 47	I live on Fulton Ave in the 2100 block and the speed that cars travel is outrageous. I have spoke with city council about getting the use of one of those "your speed is" mobile devices and it must come from Dist 4. Can we make this happen. 1	The small bussinesses that have invested in teh neighborhood has helped a lot - as wellas the street change - street beautification - the more people that use the neighborhood the better - hope certain anchor businesses don't move or if they do allow other bussinesses to develop the area	Feb 18, 2013 3:39 PM

33	Please be mindful of the wonderful historic resources you have in Walnut Hills, they may seem like a burden now, but once they're gone you will never get them back and there is no way to build anything as sound or beautiful today. 44	I think the biggest problems in Walnut Hills is that it looks/feels less safe than it is. Trash and empty/unkept properties are a problem, and panhandling and loitering seem to be a problem. But it definitely seems to be improving dramatically, which is great.	Feb 5, 2013 7:04 AM
