Walnut Hills – Community Food Champion

Roles & Responsibilities

*Help to build and manage a sustainable food system that’s reflective of our diverse neighborhood and that benefits at-risk Walnut Hills residents.*

1. Receive training on how to be a Community Food Champion.
2. Build relationships with local affordable housing building managers, food growers, food distributors, food producers & retailers.
3. Connect residents to sources of convenient, affordable groceries, encourage healthy eating & share culturally-appropriate recipes.
4. Process, deliver & receive payment for HHMM orders at affordable housing apartments & the pickup tent during Friday food events.
5. Channel recent garden harvests to local food pantries, the Food Forest grocery-ordering system, or other outlets.
6. Work with at-risk residents to identify their food needs & how their food access could be improved.
7. Develop innovative solutions to address neighborhood food needs.
8. Spread the word on food access assistance, offers & events. Post flyers in storefront windows.
9. Provide written content for social media about how your work positively impacts residents.
10. Collect & report data on the number of people served and quantities of groceries & produce.
11. Document your work with photos, videos & data.
12. Fill out timesheets every two weeks and report on your activities.
